JEFFREY L. HEISER

4851 PERKIOMEN AVENUE, APT. 60
READING, PA 19606-8702

(610) 223-2136   JHeiser@jeffheiser.com

INTRODUCTION:

I am a former Restaurant Manager of over 20 years who, since 2002, has excelled as a Carpenter/Supervisor. After attaining my degree in Information Technology in 2011, I have developed sleek modern web sites, while continuing to learn the latest design techniques to yield attractive, responsive, and comprehensible sites. **I am seeking to transition to the Web Design field full time.** View my web design portfolio online at jeffheiser.com. I am a confident and creative designer who is self-motivated, self-sufficient, and detail oriented. Interested in role with a company promoting best practices and offering diverse customer projects.

WORK EXPERIENCE:

Web Design   12/2011 – Present
Jeff Heiser – Custom Web Design

- Developed, coded, and updated static and WordPress sites for clients.
- Researched new technologies and software packages for use in website projects.
- Designed, implemented, and monitored web pages and sites for continuous improvement.
- Reviewed code to validate structures, assess accessibility and security, and verify browser, device, and operating system compatibility.

Carpenter Supervisor   5/2002 – Present
Steel River Building Systems, Pottstown, PA
SMJ Construction, Inc., Douglassville, PA
R. G. Bortz Construction Company, Oley, PA

- Analyzed project blueprints and specifications to plan an efficient course needed to complete job.
- Collaborated with management, crew members, and other supervisors to organize efficient site operations in a lean manufacturing environment.
- Evaluated staff member strengths and assigned tasks based upon expertise and background.
- Procured Act 34 and FBI clearance to work at schools and hospitals.

EDUCATION: University of Phoenix – Axia College
12/2011   AAIT Degree / Web Design
